Ol bikpela astingting bilong kempein

Sapos dispela em i namba wan ileksen yu laik sanap long en o sapos yu bin sanap bipo, dispela toktok aninit bai helpim yu long kisim save.

Ol astingting bilong ol kempein em wankain long olgeta kantri.

Long kamapim strongpela kempein yu bai nidim:

- **Olgeta kempein lain wok bun wantaim** - wanpela bos bilong kempein bai helpim dispela;
- Wanpela **tok klia** – we dispela toktok i soim klia long ol vota ol bilip bilong yu;
- Wanpela **plen** – long helpim yu long yusim kempein taim gut;
- Wanpela **baset** o skelim moni – long stretim gut ol moni long baim ol samting bilong kempein;
- Ol **sapota** – long helpim yu long autim tingting bilong yu i go long olgeta man na meri.

Tingim, olgeta kempein i hat wok tru.

- Em hat long yu long winim dispela resis sapos yu wok wanpis. Yu mas redim ol planti sapota long helpim yu, na tingting klia long wanem samting yu bai inap mekim.
- Wok long resis em bai givim sampela hevi long yu – em i ken bagarapim helt na tingting bilong yu.
- Wok long resis em i no save pinis – em bai i go i go yet na yu no inap malololo liklik. Yu bai yusim olgeta taim bilong yu long dispela resis na yu bai no inap lukim femili bilong yu planti taim.

As bilong kempein em long senisim tingting bilong ol vota long makim nem bilong yu long taim long ileksen.

Yu mas save gut hamas vota i stap long Ward (o LLG) bilong yu na husait i pren bilong yu na husait bai resis wantaim yu. Yu mas kamapim sampela toksave we i tok klia long stretim ol kainkain wari bilong ol vota. Yu mas skelim gut hamas taim yu bai stap na toktok wantaim ol sapota na pren bilong yu, na hamas taim yu bai traim long tanim tingting bilong ol arapela man o meri husait i no save gut long yu. Ol i kolim "swing voters" na dispela ol lain i no klia husait ol bai makim long taim bilong raitim nem long balot pepa. Sampela i tingting long makim arapela kendidet, na sampela i no gat wanpela kendidet i kam long klen o famili bilong ol. Na yu mas traim long senisim tingting bilong ol long makim nem bilong yu.

I gat kainkain we long salim ol toksave nabaut, na yu mas mekim disisin long wanem rot yu bai bihainim. Sampela rot em olsem:

Wok kempein

Kamapim wanpela "kempein toksave" bilong yu

Sampela manmeri bai vot long yu sapos ol laikim yu o sapos ol laikim pasin bilong yu, na sampela bai vot long yu sapos yu wantok bilong ol. Yu mas traim long tanim tingting bilong ol arapela long vot long yu bilong wanem ol harim gutpela toktok bilong yu na "kempein toksave" bilong yu.

Dispela toksave em i bikpela samting bilong kempein bilong yu. Em mas i gat as long en i kam long ol wari na nid bilong komyuniti bilong yu. Dispela toksave i mas klia na isi long bihainim, inapim ol vota long luksave gut long wanem samting yu bilip long en na astingting bilong wanem ol bai votim yu. Olgeta taim yu sanap na toktok yu mas toktok strong na autim dispela "kempein toksave".

Luksave long ol hevi: Yu na kempein tim bilong yu i mas toktok wantaim ol vota insait long komyunit na painimaut wanem samting ol i wari long en. Yu bai gat save pinis long ol dispela wari tasol, em bai gutpela sapos yu harim toktok bilong ol yet. Planti ol vota i laikim yu harim ol toktok yet na i no yu tasol toktok long ol.

Kamapim ol ansa: Yu mas painim sampela wei long stretim ol hevi bilong ol vota. Wanpela wei em long askim ol long givim ol ansa bilong ol yet. Na askim yu yet sapos ol arapela kendidet bai givim wankain ansa long yu. Inap yu kamapim wanpela arapela (gutpela moa) ansa?

Luksave long hanmak bilong ol Lokol Lida: Ol lokol lida i bin mekim wanem long helpim ol vota na stretim ol wari? Bai yu inap wokim wanpela wei i gutpela moa long stretim ol dispela hevi.

Kamapim kempein toksave: Yu mas tingting long wanpela toksave i tok klia long ol wari bilong ol vota na soim ol ansa na strong bilong yu. Askim kempein tim bilong yu long helpim.

Wanpela gutpela toksave:

1. em i **klia** na isi long bihainim
2. em bai **tok stret** na isi long tingim long en. Olgeta manmeri husait i wok long kempein bilong yu i mas save gut long dispela "kempein toksave", na ol i mas tokautim planti taim.
3. **em soim olsem wanem yu narakain long ol arapela kendidet**. Olgeta taim yu toktok insait long kempein, yu bai makim bilip bilong yu yet, na dispela bai soim ol vota wanem samting yu sanap long en na wanem samting i narakain long ol arapela kendidet. Sapos yu tok olsem yu "bilip long sindaun wantaim ol komyuniti na harim maus bilong ol" – dispela i ken soim ol vota olsem ol arapela kendidet i "no" bilip long sindaun wantaim ol komyuniti na harim maus bilong ol.

4. **tok strong**. Kempein toksave bilong yu mas tanim tingting na em mas pulim ol vota long kam long sait bilong yu.

Sampela taim em i gutpela long putim wanpela sotpela toksave long olgeta kempein piksa na liklik buk, na tu yu mas yusim dispela toksave olgeta taim yu sanap na toktok. Dispela toksave i mas sotpela na klia na karamapim gut ol kempein toksave bilong yu. Sapos ol vota lus tingting long bikpela kempein toksave bilong yu, ol bai tingim yet dispela sotpela toktok.

- Ol nupela vota harim toktok bilong yu long pastaim ol mas kisim save long bilip bilong yu.
